Anti-trust and Competition Law Compliance Statement

INTERCARGO is firmly committed to maintaining a fair and competitive environment in the world shipping trades, and to adhering to all applicable laws which regulate shipowners and their representative bodies in these markets. These laws include the antitrust laws, which the United States of America, the European Union and many nations of the world have adopted to preserve the free enterprise system, promote competition and protect the public from monopolistic and other restrictive trade practices. All meetings INTERCARGO will be conducted in compliance with such laws and regulations.

As part of those Guidelines, neither Intercargo nor its members shall engage in any discussion on or agree upon: fixing of terms, prices, rates; matters relating to particular customers or suppliers; boycott or blacklist particular customers or suppliers; divide markets or customers; otherwise seek to distort competition. All advice to members on, inter alia, chartering terms including information on model clauses shall be non-binding and for information only.
